

STARTER

- Why are so many people drawn to superheroes? What does that say about our needs as common people who are limited and broken? Jesus was the real superhero, who chose to live as human so that he could offer us what no fictional superhero could ever offer

EXPLORE

- **Jesus Christ was fully God and fully man in one person, and will be so forever. Christ's natures suffered no mixture, confusion, or loss.**
- **The virgin birth of Jesus Christ:** The virgin birth is foundational to our faith. We will cover this in more detail during the discussion on the incarnation later in the series. Read Isaiah 7:14 and Luke 1:35 as an overview of his virgin birth as taught in both testaments
- **The hypostatic union:** Jesus was fully God and fully man. **Read Philippians 2:5-11.**
