

DOCTRINE | Sin

Sin is described in the Bible as [transgression](#) of the law of God (1 John 3:4) and [rebellion](#) against God (Deuteronomy 9:7; Joshua 1:18).

Through [Adam](#), the inherent inclination to sin entered the human race, and human beings became sinners by [nature](#).

God used the principle of [imputation](#) to benefit mankind when He imputed the sin of believers to the account of Jesus Christ

A third type of sin is [personal sin](#), that which is committed every day by every human being.

We are three times condemned due to inherited sin, imputed sin, and personal sin.

The first resource the Bible mentions in our effort to overcome sin is the [Holy Spirit](#).

The [Word of God](#), the Bible, says that God has given us His Word to equip us for every good work (2 Timothy 3:16-17).

A third crucial resource in our battle against sin is [prayer](#).

A fourth resource in our war to conquer sin is [the church](#), the fellowship of other believers.
